

# Furniture Spray Wax

***Waxes and polishes lacquered, varnished and French polished furniture in and around the home.***

## Purpose

Liberon Furniture Spray Wax is ideal for waxing and polishing lacquered, varnished and French polished furniture in and around the home. It is a high quality, silicone free spray wax, which can be used regularly to give furniture a soft satin sheen.

## Performance

- Nourishes and shines waxed or varnished furniture
- Removes dust
- Silicone free
- Gives off a light scent of honey
- Endorsed by the Guild of Master Craftsmen

## How to Use

### Preparation

Ensure the surface is clean and dry. Old layers of built-up waxes should be removed first using Liberon Wax and Polish Remover.

### Application

Shake well before use. Apply a thin film of Furniture Spray Wax over the surface and even out the wax using a cotton cloth. Allow to dry for 5-10 minutes and buff to a sheen with a clean soft cotton cloth.

### Important

Always test product first on a spare surface or inconspicuous area for colour, compatibility and end result.

### Maintenance

Furniture Spray Wax can be buffed weekly, when buffing no longer produces a sheen re-apply as required. Precautions Over use of waxes will produce a sticky build-up and will need to be removed with Liberon Wax and Polish Remover.

Coverage: As required

Pack Size: 400ml aerosols

Drying Time: Minimum 5 minutes
