

Special Pale French Polish

Used on light woods and for preserving the colour on marquetry work.

Purpose

Liberon Special Pale French Polish is a colourless and transparent polish made from the finest quality pale de-waxed shellac and is suitable for the most delicate work. It can be applied with a French Polishing mop or with a rubber in accordance with traditional French Polishing techniques.

Performance

- High quality French Polish
- A colourless and transparent French Polish which produces a warm and natural effect on wood
- Ideal for lighter colour woods and preserving the colour on marquetry work
- Brings out the timber's natural graining

How to Use

Application

For detailed French Polishing instructions please contact Liberon.

Cleaning

Clean brushes in methylated spirit.

Storage

When not in use keep in a cool dry place. Once opened product may deteriorate.
