

Purpose

Liberon Pearl Glue is a traditional wood glue used for veneering, joinery and antique restoration.

Performance

- Natural bone/hide glue
- Traditional glue for laying wood veneer
- Ideal for gluing antique furniture

How to Use

Application

Soak the glue overnight in about 3 to 4 times its volume of water. Heat this solution in a double pot until all the glue has melted. If the glue is too thick add some more water to the solution. Do not allow to boil.

Precautions

The glue may be reheated two or three times. Old or dirty glue must be discarded and a fresh solution made.

Pack Size: 250g, 500g, 1kg, 5kg
