

For achieving a traditional bright finish.

Purpose

Liberon Metal Leaf is ideal for achieving a traditional bright finish and creating virtually the same effect as real gold leaf. Ideal for beginners it is produced from high quality rolled brass.

Performance

- Gives a traditional finish
- Ideal for beginners to metal leafing (traditional gilding)
- Produced from high quality rolled brass

How to Use

Application

Build up the surface with Liberon ready to use Gesso. Once dry sand smooth. Reactivate the adhesive properties of the Gesso with water and allow to become tacky. Lay on the metal leaf and gently press down with a soft cotton pad.

Important

Always test product on a spare surface or inconspicuous area for colour, compatibility and end result.

Pack Size: Book of 25 sheets, pack of 20 books.
