

# Floor Cleaner

***Removes built-up wax, dirt and grime from wooden flooring.***

## Purpose

Liberon Floor Cleaner is ideal for lifting old waxes, dirt and grease marks from wood floors, leaving the surface ready to be re-finished.

## Performance

- Cleans and removes built up wax and dirt from wood floors prior to re-finishing
- Does not strip off varnishes
- Easy to use
- Leaves the surface ready to be re-finished
- Usage - interior

## How to Use

### Application

For best results soak a pad of Liberon Steel Wool (grade 0000 or 00) with Liberon Floor Cleaner and gently scrub the surface, going with the grain where possible. Allow a few minutes for the Floor Cleaner to work, then while the surface is still wet, use a clean, cotton cloth to wipe off all the old wax.

More than one application may be required on heavily waxed surfaces.

Allow the wood to dry out completely before re-finishing.

### Precautions

- Do not use on water based varnish or plastic and vinyl floors.
- Dispose of used steel wool and cloths outside to reduce vapour build-up and fire hazard.
- This product may lift poorly applied shellac sealers, lacquers, varnishes and sealers.
- This product may dissolve bitumen-based adhesives.

Coverage: 1 L = 6 - 8m<sup>2</sup>
